

Directions to Morzine from the A40 autoroute

Keep on the A40 until the junction for Cluses. Go through Cluses taking the D902 to Taninges where you should go right at the T-junction in the town centre by the river, direction Les Gets. Still on the D902 (watch for the road bearing left as you are leaving Taninges) keep on through Les Gets towards Morzine. On reaching the outskirts of Morzine you will reach a roundabout, take the 2nd exit (turning sharp left) signpost Thonon.

Keep on this road winding downhill for some time, straight across the roundabout, continue into the valley and eventually bearing left by the Hotel Plagnettes along the valley towards Thonon. Follow this road past the supermarket on your right, round some more bends and into the village of St Jean d'Aulps.

On entering the village you will pass a Credit Agricole bank on your right after which look out for an new apartment building on your left. Between this building and a large cream Hospice is a narrow left turn. Take this road and cross the river after which the road bears left.

La Ferme de la Dranse is on your right at the apex of the right hand hairpin. Parking is around the bend at the rear.

For Chalet la Moussiere continue along the road to the junction at the church. Take a right and keep going past the left turn by the church. After 20 meters a square opens up on the left, **Chalet la Moussière** is in the left hand corner looking into the square.
